

For more than half a century, the Catholic Youth Organization of Long Island, a 501(c)(3) not-for-profit organization, has offered a safe and instructional environment for the youth across Long Island. This past program year, more than 25,000 boys and girls participated in parish based sports including basketball, cheer-leading, soccer, swimming, track and volleyball. CYO also runs programs for the special needs athletes in our communities. Through the dedicated work of countless volunteers and in partnership with the parish clergy and parents, our athletes are instilled with the core values that will benefit them throughout their lives. We rely on fundraising events such as this golf outing and on the generous donations of "friends of CYO" to provide the funds necessary to continue, and to expand our programs and our reach into the communities across Long Island.

Thank you so very much for your support!
